Dear Sir/Madam,

RE: Comments on representations on the draft Sha Lo Wan and San Tau Outline  
Zoning Plan (OZP) No. S/I-SLW/1

The Conservancy Association (CA) SUPPORTS representations R1, R3 to R7, as areas of high conservation and landscape value are highlighted to be protected by conservation-related zones which put conservation as the over-riding planning intention. There should not be further reduction in these conservation-related zones.

It should be reiterated that road widening, slope cutting works were recently spotted along Tung O Ancient Trail and caused adverse impact on the landscape character in the subject area. To prevent any attempts to accept the act of “destroy first build later”, no additional vehicular accesses should be provided in the subject area.

Yours faithfully,

Ng Hei Man
